Dogs on leads

Did you know that you must keep your dog on a lead when in a school zone? As a dog owner, you need to keep your dog under control at all times and clean up after them.

Know the signs

Parking rules around schools are being enforced to keep kids safe and keep traffic moving. Scan the QR code for parking/stopping rules.

Roads Hub

We now provide a fortnightly update on roadwork locations so you can know what works are coming up across the MidCoast.
