

Barrington Coast Explore Day

Copeland Tops

Join us on an explore day full of fun and info at Copeland Tops, experience a tour of the Mountain Maid Gold Mine and enjoy a free BBQ!

In the foothills of Barrington Tops, Copeland Tops State Conservation Area offers rainforest walking tracks, picnic areas, birdwatching and guided tours at a historic mine site.

Join a tour with a NPWS Discovery ranger and get the chance to chat with MidCoast council local Destination Experience staff, Koala experts and some of our natural systems team to find out what plants and animals live here and how they survive in this magical park.
